# NEW IN 2021

## COMMERCIAL CLASS:

### WHAT TO EXPECT?

Expect a high energy, challenging dance class that will cover a variety of styles throughout the year. Different teachers will cover Heels, Jazz funk, Musical Theatre, vocals and more. This class is designed to expose our dancers to a range of styles and skills that are popular, and in demand, in the commercial dance industry.

**NEED TO KNOW:** Each style will last 4 - 6 weeks. You can sign up per class (if space allows), per term or just for a particular style.  
\*\*This class is available at the North Studio only.

## MINI OPEN BALLET CLASSES:

### WHAT TO EXPECT?

Fun and nurturing classes for our youngest ballerinas that replace RAD Pre-primary and Primary ballet. This change is driven by the intention to make these classes more about cultivating creativity and imagination while teaching great classical ballet foundations.

**NEED TO KNOW:** These classes will still work towards an internal assessment in which all children will be given a helpful report and certificate.

# NEVERLAND CLASSES AT ALERT LEVELS.

***After a CRAZY 2020, we feel super confident about keeping your dance classes on track throughout any future lockdowns that we may experience in 2021. We were overwhelmed by the positive feedback from parents and dancers telling us how their continued dance classes helped to keep them motivated and positive throughout difficult and isolated times. We are so grateful that our families got on board with online classes in 2020, ensuring that we can continue to provide awesome dance classes to our Neverland students.***

***Here is a guide to what you can expect in each alert level:***

**1**

## **LEVEL 1**

- Classes run as normal with normal hygiene measures in place.

**2**

## **LEVEL 2**

- Classes run in the studio with social distancing in place.
- The timetable remains the same.
- No observers are allowed in the building.
- Special entries and exit pathways are established to keep dancers spread out.

**3/4**

## **LEVEL 3 + 4**

- All classes immediately move to our Neverland TV platform and are run online through Zoom.
- All classes are at the same time and with the same teacher and classmates.
- All fees remain the same.

**THANK YOU FOR YOUR UNDERSTANDING AND CONTINUED SUPPORT.**

CHECK OUR WEBSITE TO CONFIRM WHICH ALERT LEVEL WE ARE AT.

Dance exams are a great mid year goal for our students. Syllabus classes prep for the first half of the year towards these exams and students feel a great sense of achievement and pride once completed. Students then progress through their genre levels from year to year.

**WHEN?** Exams take place mid year and can fall anywhere between the end of Term 2 - mid Term 3

**COST** Exam entry fees depend on the examination level however exams can range from \$50 - \$250

### **REQUIREMENTS**

*To be eligible to sit an exam at Neverland Studios you must be doing the following:*

- Attending the compulsory classes suitable for your exam
- Wearing the appropriate uniform for your exam
- Attending any extra holiday/intensive courses that are scheduled for your exam
- Practising at home

**WHO CAN DO AN EXAM?** All dancers that are following the above guidelines are eligible to sit an exam however the decision to enter a student in an exam is that of the teachers. Exam students must be showing great technique and performance quality, they must also be regularly attending class and practising in their own time. All exam students must show a positive attitude towards the syllabus, their teacher and their peers.

### **GLOBAL DANCE QUALIFICATION SYLLABUS (GDQ)**

GDQ pulls from the most well respected dance technique methods from around the world and aligns with world industry standards of what is expected from students of all ages.

### **BALLET - ROYAL ACADEMY OF DANCE (RAD)**

RAD exams set standards in classical ballet and are a global leader in Continuing Professional Development for dance. Founded in 1920, today RAD have a presence in 84 countries, with around 14,000 members worldwide. RAD count more than 1,000 students in our teacher training programmes and more than a quarter of a million students are being examined in RAD syllabi.
