"ALL-IN" DANCER DISCOUNT

Our **ALL-IN Dancer Discount** is designed for our passionate, dedicated dancers who want to take their training to the next level! For dancers who love being in the studio and want to explore multiple dance styles, we offer a capped fee structure to make training across lots of classes more affordable for families.

How does it work?

Once a dancer's total class enrolment fees reach **$980 per term** (typically after 5–6 classes, depending on their age group and class prices), they automatically qualify for our ALL-IN Dancer Fee Cap.

From there, **every additional class costs approximately $10 for the entire term!** StudioLAB automatically applies this pricing, so there's nothing extra families need to do.

This small additional fee encourages dancers to commit to attending each class they enrol in, while ensuring class spaces remain available for those who genuinely wish to participate.

NEVERLAND UNIFORM REQUIREMENTS

The Neverland uniform is an important aspect of being part of the Neverland community. It ensures that all dancers are in comfortable, slick & genre appropriate clothing. YOUR GUIDE TO Exams

Dance exams are a great mid-year goal for our students. Syllabus classes prepare for these exams for the first half of the year and students feel a great sense of achievement and pride once completed. Students then progress through their genre levels from year to year.

WHEN? Exams take place mid year and can fall anywhere between the end of Term 2 - mid Term 3.

COST: Exam entry fees depend on the genre and exam level. Costs range from around $80 - $250.

REQUIREMENTS
To be eligible to sit an exam at Neverland Studios you must be doing the following:

- Attending the compulsory classes suitable for your exam (from 1 to 3 classes per week)
- Wearing the appropriate uniform for your exam
- Attending any extra holiday/intensive courses that are scheduled for your exam
- Practicing at home

WHO CAN DO AN EXAM? All dancers who meet the above guidelines are eligible to be considered for an exam. However, **final decisions regarding exam entry are made by our teaching team**, based on each dancer's individual readiness and progress. Exam students must be showing great technique and performance quality, they must also be regularly attending class and practising in their own time. All exam students must show a positive attitude towards the syllabus, their teacher and their peers.

JAZZ - Global Dance Qualification Syllabus (GDQ)
GDQ pulls from the most well respected dance technique methods from around the world and aligns with world industry standards of what is expected from students of all ages.

BALLET - ROYAL ACADEMY OF DANCE (RAD)
RAD exams set standards in classical ballet and are a global leader in continuing professional development for dance. Founded in 1920, today RAD have a presence in 84 countries, with around 14,000 members worldwide. RAD count more than 1,000 students in their teacher training programmes and more than a quarter of a million students are being examined in RAD syllabi.

- **Term 1:** A 50% deposit of Term 1 class fees is required at the time of enrolment to secure your dancer's place. The remaining 50% will be automatically charged to your saved card on Monday 1 February 2027, the first day of Term 1.
- **Terms 2, 3 & 4:** Full term fees will be automatically charged to your saved card on the first day of each term.

Any outstanding balances due to expired cards, insufficient funds or other payment issues must be resolved promptly.
- Neverland reserves the right to suspend or cancel enrolments where fees remain unpaid.
- Neverland Studios is a **cash-free business** from 2027**.**

MISSED CLASSES, MAKE-UP LESSONS & REFUNDS

- If Neverland chooses to remain open on a public holiday, no make-up classes will be offered.
- Make-up classes may also be available for illness, subject to a medical certificate and availability in an appropriate class.
- **Missed Classes:** No refunds or credits will be provided for missed classes due to overseas trips, family holidays, school camps, birthdays, minor illnesses or other personal commitments.
- **Refunds & Credits:** Refunds or credits may be considered in cases of serious illness, injury or bereavement. A medical certificate may be required.

CLASS ENROLMENTS & TRANSFERS

- **Enrolment Confirmation:** Enrolments are not confirmed until the required payment has been successfully processed.
- **Outstanding Balances:** Enrolments will not be processed if there is an outstanding balance from a previous term or year.

- **Class Transfers:** Class transfers can happen at anytime throughout the year and can be arranged through our office team, subject to availability.
- Changing classes at any time will not incur any charges unless there is a discrepancy in the fees.

ENROLMENT & AGE REQUIREMENTS

- All class enrolments are for the full calendar year. Once enrolled, dancers will automatically remain enrolled in their classes across all four terms, with fees billed termly.
- If a dancer wishes to withdraw from or transfer classes during the year, parents must contact the Neverland office team in writing to arrange this. Simply not attending classes does not cancel an enrolment or stop scheduled payments.
- Dancers must meet the minimum age requirement for their chosen class by 1 May 2027.
- Neverland reserves the right to remove or transfer dancers who do not meet the age requirements of their chosen class.

TRIAL CLASSES & THREE-CLASS TRIAL PERIOD

- Individual trial classes are available throughout the year, subject to class availability. Trials will not be available during the first three weeks of Term 1, 2027, and will commence from Monday 22 February 2027 (Week 4).
- All new class enrolments automatically include a Three-Class Trial Period, allowing dancers to attend their first three lessons before fully committing to the class.
- If a dancer wishes to withdraw during their Three-Class Trial Period, parents must contact the office in writing before the dancer's fourth attended lesson to receive a refund or account credit for the remaining unused classes.
- Refunds or credits will be calculated based on the remaining classes in the term, with the dancer charged for classes already attended or otherwise payable up to the effective withdrawal date.
- Once a dancer has attended their fourth lesson, they are considered committed to the class for the remainder of the term, and the standard Fees & Payment Policy applies.
- Trial classes and transfers are subject to availability and do not guarantee a place in a fully booked class.

CLASS CAPACITIES & WAITING LISTS

- All Neverland classes have carefully considered maximum capacities to ensure dancer safety, quality teaching and an enjoyable learning environment.
- If a class is full, families will have the option to join the waiting list.
- As enrolments are for the full year, spaces generally only become available when an existing dancer withdraws or transfers out of the class.
- Joining a waiting list does not guarantee a place in the class, and Neverland cannot guarantee when or if a space will become available.
- If a space becomes available, our office team will contact families on the waiting list regarding the opportunity to enrol.

PHOTOS & DIGITAL DISPLAYS

- At our North Campus, a screen in the foyer displays live footage from Studios 2, 3 & 4, allowing parents to view classes. This footage is not recorded or used for any other purpose.
- Neverland employs professional photographers and videographers to capture special events throughout the year. Our experienced staff may also take photos and videos during classes. This content may be used on Neverland's website, social media and promotional materials. Please notify the office if you or your child do not wish to appear in photos or videos.

- Parents and spectators are not permitted to photograph or film classes unless specifically invited to do so by the teacher. Any permitted footage must not be shared on social media, in accordance with our child safety policies.

EXAM POLICY

- No student is guaranteed a place in an examination.
- A nomination for an examination is based on the assumption that the student will fully commit to exam preparation.
- Students may be withdrawn from an examination at any time at their teacher's discretion.
- Certain syllabus classes require a minimum of two classes per week (Grade 1 Ballet and above, and Development 1 Jazz and above). Missing classes may jeopardise a student's eligibility to sit an examination.
- Every student must have the correct examination uniform appropriate to their level from the beginning of the year.
- No refunds or credits of examination fees will be provided if a student withdraws from an examination, unless due to injury or illness. A medical certificate may be requested, and only a 50% refund will be provided, subject to applicable consumer law.

SHOW POLICY

- Participation in Neverland's end-of-year show is not compulsory, although it is highly recommended as one of the highlights of the year.
- A show costume fee will be included in Term 3 fees. This fee contributes towards the sewing, purchasing, laundering, storage and handling of costumes. Show costumes remain the property of Neverland Studios and are not kept by dancers.
- Show costume fees are non-refundable. Once payment is provided, the customer agrees to forfeit the fee if they decide to unenrol.
- A show participation fee per family will be included in Term 3 fees. This includes a complimentary digital download of the show.
- Show participation fees may be refunded if a dancer or family is no longer participating in the end-of-year show. Families must notify the Neverland office team of their withdrawal.
- Attendance at all required show rehearsals is compulsory for participating dancers.
- During the show rehearsal period, including studio rehearsals and theatre week, normal timetabled classes do not operate. Dancers must refer to their allocated cast and rehearsal schedules.

UNIFORM POLICY

- Correct uniform is compulsory for all classes and must be purchased and worn by the student's third lesson.
- Continually attending class without the correct uniform may jeopardise a student's place in the class.
- The correct uniform must be worn for each dance genre. For example, students are not permitted to wear jazz uniform to a hip hop class.
- Change-of-mind refunds are not available for dancewear purchases, even if unworn. Exchanges may be permitted provided items are unworn, in their original condition and have all tags attached. This does not affect customers' rights under the Consumer Guarantees Act.

GENERAL CONDITIONS

These Terms & Conditions apply to all Neverland Studios enrolments and activities. Nothing in these policies limits any rights or remedies available under applicable New Zealand consumer law.
